

LD TENNIS SOCIAL SESSIONS

The Dan Maskell Tennis Trust is hosting two online LD Tennis Social Sessions. We will combine tennis drills you can do at home with some fun activities and a chance to say hi to other LD Tennis Players.

The sessions will take place on Zoom and we will limit them to 20 players, to make sure we can all get involved.

Lockdown can get a bit boring – so join us to have some fun!! We will also send you videos of the tennis drills after the call so you can keep practising at home and there are prizes for the winners of our fun games as well as a certificate for everyone who takes part.

The sessions are:

Tuesday 23 February 5.15pm – 6pm – this session would be aimed more at players who usually use a Red or Orange ball to play tennis

Thursday 25 February 5.15pm – 6pm – this session would be aimed more at players who usually use a Green or Yellow ball to play tennis

To join us or to ask a question send an email to:

liz@danmaskelltennistrust.org.uk

You will need to be able to use a computer to join zoom. Family and carers who are in the same household are welcome to join. We hope to see you then!
